AZ-NM Caravan merchandise

Arizona and New Mexico 2024 Caravan participants

The AZ-NM 2024 Caravan is offering 30th Anniversary NCM decals and Arizona-New Mexico, Route 66, 2024 Caravan shirts for sale. The NCM decals and polo shirts are available for your purchase if desired.

AZ-NM Caravan polo shirts are available in men's and women's styles. You can select the size and color for the shirts. The spreadsheet can be edited to select the desired size and color. Use a second line if you desire to order shirts in more than one color. Please return the spreadsheet to me via email or by printing it and mailing it to me. The yellow blocks on the spreadsheet can be edited using Excel spreadsheet software or print the attached spreadsheet and mail to me. You can write your order if you cannot return the spreadsheet; however, care must be taken with written orders to prevent errors.

Payment should be either by a check to Captain Holt Davis, AZ_NM Caravan, PO Box 1564, Artesia, NM 88211; or PayPal, zacharyholt4068@gmail.com.

To keep the purchase price for the polo shirts low, I will order all shirts at one time and have them shipped to me. I will check the orders for accuracy and ship NCM decals and/ or polo shirts for AZ-NM Caravan participants who will join the caravan before Albuquerque to co-captain Ron Gliot. I will include the NCM credential with the shipment to Ron so that you can pick up the merchandise and NCM credentials from Ron. The shipment to Ron will be the first week of August 2024. I will pay shipping costs for a combined shipment to Ron but I cannot make an individual shipment without an additional shipping charge. Please complete the attached spreadsheet if you wish to purchase NCM decals and/ or AZ-NM polo shirts. The spreadsheets need to be returned to be no later than June 22, 2024, with your payment.

You can order the NCM decals and I will mail them to you for \$10. each or you can pick them up with the credentials. I will also have some NCM decals with me that can be purchased during the caravan.

You can pick up your merchandise and NCM credentials any night prior to arriving in Bowling Green during the evening at the host hotel...including the hotel where I will reserve my room or from Ron Gliot for AZ-NM participants who will join the caravan in Arizona.

Holt Davis
2024 Arizona & New Mexico Captain
grog426hemi@gmail.com

I have updated our planned route and hotel changes. Please note the planned hotels for each night.

I completed a pre-drive for the final two days of our planned 2024 caravan from Miami, OK near Joplin, MO to Cape Girardeau, MO and Bowling Green during the Michelin Bash. As a result of this trip, I will be making some changes to my plans. I discovered that one of the bridges at Cairo, IL has been closed due to structural problems, I doubt that this bridge will be open during the caravan. I am planning for lunch, fuel, and rest stops along the route that will provide a comfortable trip.

Larry English informed me that the Unser Racing Museum has relocated from Albuquerque to Nebraska...so we have selected a different event for Saturday morning in Albuquerque. I believe that everyone will enjoy the National Museum of Nuclear Science & History.

This museum has exhibits covering many aspects of atomic energy as well as secrets of the Los Alamos 1944 and decisions during WWII. Airplanes displayed at the museum include a MIG-21, B-29, B-47, B-52, F-105, F-16, and a TA-7.

Arizona co-captain Ronald Gliot and I have discussed the first day of our caravan. We are planning to start our caravan **Thursday afternoon, August 22, 2024 in Phoenix.**

This will allow us to reduce the first day trip from 460 miles to 175 miles with our first night in Show Low, AZ. Our original plan would require the caravan to depart Phoenix at 7:30 AM and arrive at the host hotel in Albuquerque after 7:30 PM. During the 2019 caravan, our first rest stop after our Show Low lunch was at an I-25 rest stop over 3 and a half hours away which was too long. Many Phoenix participants in 2019 needed to rent a hotel room in Phoenix near the Bass Pro Shop for our early departure due to expected early morning heavy traffic; therefore, no change in the number of nights in hotels.

I will be at the Double Tree Hotel Wednesday night, August 21st, near the intersection of S. Alma School Road and US-60 due to the long drive from my home to Phoenix.

We will start our **first day, August 22nd, shortly after noon with** a Meet and Greet at a restaurant for lunch in the Mesa, AZ area along S. Alma School Road near the intersection with US-60. We will drive approximately 170 miles to the Holiday Inn Express in **Show Low** as our host hotel. The Salt River Canyon Rest Stop is about 125 miles from Phoenix along this route.

Our second day, **Friday August 23rd**, will be 289 miles from Show Low to Albuquerque with a tour of the Karl G. Jansky Very Large Array radio telescope. This

will allow us to plan frequent rest stops. We plan for a late lunch in Socorro, NM before arriving in **Albuquerque** around 5 PM. We have a block of rooms at the Drury Inn & Suites Albuquerque North, our host hotel. The Drury provides a free light evening dinner and drinks from 5 to 7pm as well as a free breakfast.

Our third day, **Saturday 24th**, we will travel 153 miles beginning at the host hotel in Albuquerque followed by a tour of the National Museum of Nuclear Science & History and lunch in Albuquerque before driving the scenic Jemez Trail mountain roads to Jemez Springs, NM. We will tour the Bradbury Science Museum in Los Alamos before our evening at the host hotel in the Los Alamos/ White Rock north Santa Fe area at the **Buffalo Thunder Hotel and Casino or the Homewood Suites** which is located adjacent to the Buffalo Thunder parking lot. You can reserve your room at either the Buffalo Thunder or Homewood Suites.

Our fourth day, **Sunday 25th**, we will travel 472 miles from the Buffalo Thunder parking lot to a scenic rest stop overlooking the Rio Grande Gorge Bridge...600 feet above the Rio Grande Gorge. We will drive through Taos and along the **Low Road to Santa Fe** for lunch. The evening dinner is planned at the **Big Texan in Amarillo with the Hampton Inn East and Holiday Inn East in Amarillo** as the host hotels.

Our fifth day, **Monday 26th, will have us meeting with the Oklahoma caravan** at Frontier Chevrolet in El Reno, OK for lunch. Ed Onley will take the lead from El Reno to the **Marriott Southern Hills host hotel in Tulsa. I will continue along I-44 to Joplin, MO.** Ed has arranged for a block of rooms at the Marriott if you decide to reserve a room in Tulsa.

The AZ-NM Caravan will travel approximately 470 miles from Amarillo to Joplin, MO. Everyone who desires to continue to Joplin should reserve a room in the hotel of your choice in Joplin. You may be interested in driving old sections of Route 66 from Oklahoma City to Tulsa instead of I-44.

Our sixth day, **Tuesday 27th**, we will travel 350 miles from Joplin, MO to Cape Girardeau, MO. We will stop south of Springfield at Lambert's Cafe in Ozark, MO for lunch and fuel before following US-60 to **Cape Girardeau, MO** for the evening at the Drury Hotel and Conference Center, our host hotel. A street party is planned in the Cape during the evening where the Southern California Caravan, LSCC Texas Caravan, Kansas Caravan, and the Oklahoma Caravan will meet with the local Missouri Corvette clubs. A fun time lining the main street in the Cape with hundreds of Corvettes.

We will travel 226 miles to **Bowling Green on Wednesday 28th**, with a planned lunch at **Patti's 1880 Settlement** for our final caravan day. We will maintain our caravan separately from the Southern California Caravan, LSCC Texas Caravan, Kansas Caravan, and the Oklahoma Caravan. These caravans are planning different routes for the final day to BG. During my pre-run from the Cape to BG, for the 2023 Michelin Bash, I found that the **Whitehaven Welcome Center** and rest stop can only handle about 70 Corvettes along with expected fellow travelers so it would be severely overcrowded by all of the caravans departing CG at the same time and along the same route. After our lunch at Patti's 1880 Settlement, we will caravan along the Land Between the Lakes through Hopkinsville, KY and Russellville, to Bowling Green.

Most of the hotels that are accepting early reservations in Bowling Green are currently filled with groups from previous caravans that received priority bookings. I have a small block of 20 rooms at the Hyatt Place in Bowling Green. Co-captain Ron has secured a block of rooms at the Microtel in BG and an additional block of rooms at the Red Roof Inn in Franklin, KY.

One change I am making for the 2024 AZ-NM Caravan is to require participants to register with me for the caravan. I will provide a form which can be filled out and emailed to me for our registration. This registration will help determine our hotel fill rates and the locations where participants will join the caravan. I will provide additional hotel information and have your 30th NCM Anniversary credentials ready after I receive the registration. The registration with the AZ-NM Caravan will **NOT have a fee**; however, it will have ordering information for embroidered polo shirts and 30th NCM Anniversary decal/ stickers along with the prices for those interested. Anyone desiring to order the very nice polo shirts can select men's or women's sizes as well as colors. The registration will help expedite providing the NCM credentials as well as eliminate the confusion that occurred with our polo shirts during the 2019 Caravan.

I welcome you to our caravan...we will have an excellent route and a great time.

Note: I previously listed the **Holiday Inn Express East in Amarillo** as one of two host hotels. **This is not correct.** The correct hotel is the **Holiday Inn East** located at **7799 I-40 East in Amarillo**. The second hotel is the Hampton Inn East located at 7777 I-40 east in Amarillo.
