NEXT MEETING TO BE AT OLD CAR GARAGE

WEDNESDAY, JANUARY 25, 2006, 7:30pm

Fellow Club Members,

My name is Richard Figved and I am the president of the West Side Cruisers. I'm concerned about the high price of club liability insurance for events, show, cruises, etc. I would like to know if anyone knows of good, inexpensive liability insurance. How many of you have policies now and are covered for events? Does anyone know of an agent that can administer group policies?

I have been told that the general liability policy, about \$600.00 per year, does not cover an event if the public is invited. K and K insurance will write a policy to cover clubs, but it is expensive, more than double the general liability.

If you have any ideas or thoughts, please let me know. 891-4737 or e-mail . Thanks!
