Old Business

Lincoln Continental Owners Club recently had a car show for Lincolns, Mercurys, and Edsels that attracted 18 cars and lots of interesting car stories.

Tumbleweed V-8 Ford Club recently took a trip down to Truth or Consequences to tour the Geronimo Springs Museum. Everyone had a good time on this trip and if you are in the TorC area this museum is a must see.

Chris Padilla reported that his club, the Land of Enchantment GTOs, had 23 cars on display at the recent International Auto Show.

Bob Agnew reported that his "Spring Thaw" Open House was lots of fun and that \$2500.00 was raised for the Cuidando Los Ninos Daycare Center.

Jon Duran reported that the council web site is up and running and that it is being updated every other week. He also reported that he is working on trying to schedule another class in web design.

Bill Lemen reported that a number of people have been calling our car council telephone line for information.

New Business

Ron Rymarz reported that he received our Certificate of Insurance for 2007.

Albuquerque Museum Car Show-**Joyce Clements** reported that she has had a number of clubs pre-register for spots at this show.

Mike Peckumn-reminded everybody about the Route 66 Rodders Swap Meet on May 6, 2007 at the UNM Tailgate II Parking Lot.

All Clubs' Picnic-**Dennis Seibert** reported that plans for our All Clubs' Picnic at the Villanueva State Park are going well. When asked about overnight parking at the park he suggested that people try to make their own reservations as soon as possible because camping spots are being reserved as we speak.

Discussion Topic

Bob Agnew opened a discussion on whether the car council should be making donations of car council funds to causes proposed by our member clubs. Most felt that we could not because the subject isn't covered in our by-laws as they are written now. To do so properly we would have to re-write the by-laws.

Joyce Clements made a motion that we follow our by-laws and support our member clubs in their efforts to raise money for whatever purpose they want but make no direct monetary contributions to their worthwhile causes. And this motion was carried by a majority vote.

Our next meeting will be held on May 16th so that we can stuff our "goody bags" prior to our Albuquerque Museum Car Show.

At this point the meeting was brought to a close.

If your club is listed, and you want some information about your club with your listing, there is space to do that, but someone in each club has to be in charge.

We have a phone with a recording which will be updated to reflect current events. The Number is **890-4477**. The number also serves as a FAX. Bill Lemen at wiliam_lemen@ml.com is in charge of the phone. Any volunteers to help with our communications maintenance are welcome to do so.

Donut Derelicts

The group has been meeting at the Raley's Supermarket Coffee Shop on the SE corner of Juan Tabo and Candelaria from 7-9am on Saturday mornings. We also have an offer from the district advertising manager of McDonald's to meet at any of his 82 McDonald's, and McDonald's will furnish the coffee. Paul McLaughlin and Jim Demick have volunteered to coordinate this with McDonald's.

Tumbleweed Early Ford V-8 32nd Birthday Bash

Tumbleweed V-8 Club will have a birthday party celebrating 32 years since its founding in 1975. The V-8 Club recognizes factory original Ford products from the flathead V-8 era, 1932-1953. 2007 is the 75th anniversary year for the introduction of the flathead V-8 in 1932. We will be at the Los Ranchos Village Hall at 6718 north Rio Grande Blvd., from 11 to 3, Monday, May 28. Come out to see the show and have a piece of birthday cake (if there's any left).

Also a group of early Fords will be traveling from a meet in Virginia to a meet in California. They will be taking a break in east Albuquerque on June 9, en route from Amarillo to Gallup. Location and time will be sent around when they are available. It would be nice to have a group of cars to meet them. They are raising money to add to the building fund of the Ford Foundation museum in Auburn, Ind. It is one of several museums being built on land purchased for that purpose by Kruse and others. museums.
