

❖ Council Meeting Minutes ❖

September 11, 2007

The meeting was called to order @ Shane's place of business by President Shane LeMon at 6:30 pm. Officers in attendance were President Shane LeMon, Governor Jack Richards, Treasurer Lori Jordan, Membership Dan Bond, and Activities Jackie Haydu.

President Shane LeMon asked each Council member for updates/reports.

Treasurer Lori Jordan gave an update on SWI registration. We have 32 individuals registered so far for SWI. She and Suzanne are working on putting the welcome packages and name tags together.

Membership Dan Bond stated that he has received 3 new applications for membership in the club; however only one had a check attached. He will contact them regarding the cost of membership. A discussion was held that we need to put the cost of membership somewhere on the application itself. When they download the form from the website they seem to forget that there is a membership fee.

Dan presented an update on the KAFB car show to be held September 22 and the fall cruise to be held October 7th. He is coordinating these events with Jackie.

Dan also asked if he could conduct a corvette trivia quiz at the SWI dinner on Friday night and give an award to the table with the most correct answers. The council members voted to approve Dan's request and also authorized \$50 towards awards.

Activities coordinator Jackie Haydu said that she has received some stuffers from Meguiars for the welcome packages. The Council decided that we will not have door prizes for the September general meeting but will use those funds for door prizes for SWI.

Governor Jack Richards reminded the Council of his participation in the NCCC General meeting to be held in St. Louis in November. Jack will present the Council with actual receipts upon his return. The Council has authorized up to a \$1,000 reimbursement for Jack's expenses.

President Shane LeMon gave an overview of the September 8th autocross; what worked and what didn't. A lively discussion followed with recommendations and suggestions to make the event run smooth. Also discussed was the need for additional tech inspectors for Friday night registration. Shane will make a request for volunteers at the general meeting on September 21st.

The meeting was adjourned @ 8:05 pm by President Shane LeMon
The next General meeting is @ 7 pm on Friday September 21st @ CASA Chevrolet
