SUPERNATIONALS FEBRUARY 1-3, 2008

We filled up all 17 spaces at the Supernationals with 2 Alfas, an Austin Healey, a Chevy Pickup, a Chevy, a Corvair, a Corvette, 2 Cougars, a Ford, a GTO, a Kaiser, a LaSalle, a Mercury, a Torino, a TransAm, a Valiant. At least one of the Alfas, the Austin Healey, the Chevy Pickup and the Corvette received awards from the show organizers and sponsors. The Council members got together and decided to give an award to one of the vehicles in our display, and the 1958 Chevy Apache pickup won that. Larry & Pat Bost had restored the truck and made up some very nice story boards about the truck and their family memories. Congratulations to all who got awards. Thank you to all who showed up to help display a car or to visit.

NMCCC MINUTES-JANUARY 23, 2008 MEETING

Bob Agnew, our President, called the meeting to order at 7:30 PM and the following club representatives were present; **Ron and Su Rymarz-OCCA**, **Pat Logan-BAOA**, **Will Clements-LCOC**, **Cary Hubbard-Corvairs of NM**, **Rainbow Roadrunners**, **Cougar Club**, **Art Gold-CNM**, **GTOs**, **Jack Thompson-RT 66 Rodders**, **Jim Timmons-Pajarito T-Bird Club**, **Jerry Jennings-Pajarito T-Bird Club**, **Tom Rostkowski-Road Runner Buicks of NM**, **Bernard Stevens-Classic Chevy Club**, **Charlie Brown-Zia Studebaker Packard**, **Chuck Logan-Cougar Club of NM**, **OCCA**, **Donald Jones-Albuquerque Model Car Club**, **Frank Whiston-New Mexico 4 Wheelers**, **Karen Campbell-SWVCA**, **Route 66 Rodders**, **NM Route 66 Magazine**, **Philip Dankworth-Rickshaws**, **Dennis Seibert-Rickshaws**, **Chris Padilla-LOE GTOs**, **JD Doran-RGMC**, **Joe Cifaratta-VMCCA**, **Jeremy Bustos-SW F Body**, **Alissa Byrne-SW F Body**, **Joyce Clements-OCCA**, **Mike Peckumn-Route 66 Rodders**, **Jim Clements-Tumbleweed V-8**, **Bob Agnew-CCCA**, **Michael Maestas-SW F Body**, **Paul McLaughlin- Mustang Owners Club**.

Guests Present-**Karen Campbell** for Route 66 New Mexico Association Magazine and **Tom Flemins** for Movie Cars.

Tom Flemins spoke about a new business he has started called Pro Stock. A company that is trying to set up a data base listing local vehicles available for movie work. Tom is looking for 1965-1976 American built vehicles for his company list. If interested you can call Tom at 505-269-4474.

Karen Campbell spoke about the Route 66 New Mexico Association Magazine and how the organization has a new slate of officers that are committed to getting the association back on the right track. She encouraged all present to read the magazine and if they like what they see to consider joining the organization.

Ron Rymarz, our Treasurer, reported that as of this date our checking account balance stood at \$7805.00.

Mike Maestas spoke next about clubs and their members getting more involved in council activities like the museum car show, swap meet, and the All Club's Picnic. Up till this point we have relied on club reps at our meetings taking our information back to their respective clubs. But Mike thinks we could also

share our information directly with interested club members by using an e-mail chain. In order to do so Mike is collecting e-mail addresses now for a data base and if anyone is interested in participating in this new communication tool they should contact Mike with the information he needs. Mike's contact information is included elsewhere in this newsletter.

Mike Maestas also spoke about the upcoming Supernationals Car Show and that we have 17 slots to fill for the New Mexico Council of Car Clubs Room at the show. We have 12 vehicles committed so far and he would like to have 5 more cars and a couple of alternates. If interested call Mike.

Bob Agnew, Joyce Clements, & Ron Rymarz discussed the upcoming Albuquerque Museum Car Show. Some people have complained about having to spend \$10 for an entry fee last year. Joyce Clements spoke to this item by saying that after all expenses were paid last year we had a net gain of \$55.00 so that fee of \$10.00 was not out of line.

Joyce Clements also reported that the car show committee met on December 5, 2007 and worked on details. No theme had been set as of this date but the committee did decide that we wouldn't have pre-registrations this year due to problems we had with this process at last year's show.

Mike Peckumn spoke about the Route 66 Rodders being chosen as hosts of this year's All Club's Picnic. Once again this event will be held at the Villanueva State Park on August 10, 2008 . The Rodders are looking for donations of goods to be given away at this event. They also asked for some seed money to get the process started. **Joyce Clements** made a motion that we give the Rodders \$500.00 in seed money for this event. This motion was passed by all present. The Rickshaws Club, last year's host, offered to make suggestions to the Rodders on how to make this event a success.

Chuck Logan gave us a report about the Fort McDowell car auction held earlier. Chuck reported that there were a lot of good cars on hand at reasonable prices. Chuck also reported on the Russo and Steele auction by saying the quality of cars at that event this year were not up to their usual quality level.

J D Doran reported that the Martin Luther King Parade event was a success this year. We had a nice lineup of convertibles on hand for the dignitaries to ride in.

Mike Maestas reported that **Jeremy Bustos** had just started a new business, a car shop where people could rent space to work on their cars. He encouraged people to talk to Jeremy about his new business if they needed space to work on their cars.

At this point **Bob Agnew** said he would entertain a motion to bring the meeting to a close. Such a motion was presented and seconded, so the meeting was brought to an end.

We started the Saturday AM thing again as of 3/31/07 . We meet in the Market center on Jefferson just south of the Journal center at 8AM on Saturday . There are several places there for coffee, or even breakfast. There is a Maestas and Ward in the NW corner, and that's where we park; there is a Starbucks, a Dos Hermanos, a Hello Deli and a Twisters... 7620 Jefferson NE. We are next to the white square in the NW corner...the intersection of Jefferson and Sun. Spread the word - all makes of cars. It's on Jefferson between Paseo & San Antonio. Here's a link to pics of the cars there on 3/31....the first restart try.....
