All Clubs Picnic 2009

THIS WILL BE THE LAST MEETING FOR 2008. WE WILL MEET AGAIN ON JANUARY 28, 2009 .

NMCCC SEPTEMBER 24, 2008 MEETING MINUTES

The meeting was called to order by **President Agnew** at 7:35p.

Jim Seals, president of the Zia Hudson Club, was our guest.

Ron Rymarz, Treasurer, reported a balance of \$3,879.05 in the council checking account.

Most of the meeting focused on the final planning for the Swap Meet. **John** and **Joyce** showed a layout of the field. Los Lunas has been installing a fence around the perimeter of the grass area, so some of the entry plan needed to be changed. 205 spaces have been pre-sold, almost twice the number of last year. A group will meet at the field on Thursday, Sept. 25, at 10am to lay out the field for the striping crew. The crew plans to stripe the field at 1:00p. Registration will begin at 12 noon on Friday, Sept. 26. More volunteers are needed to help direct vendors to their spaces and get vendors parked.

Nob Hill Neighborhood has asked for vehicles to participate in the Nob Hill Celebration, Sunday Oct. 12 from 1 to 6p. They will close Central from Girard to Carlisle and plan to have a car show, farmers market, and a shopping stroll.

Vice President Maestas reported on the update of the new web site. He hopes to have it up and running by Oct 1. He brought his lap top to the meeting and offered to show a preview of the site after the meeting.

Legislative Report: **Mike** reported that a 5-page bill has been compiled by the committee and has been sent to the lawyers at SEMA in Washington D.C. A.P.D. will re-introduce legislation to put front and rear license plates on all vehicles. They have purchased new equipment to read plates and it improves the red light efficiency.

Joyce reminded everyone to call or E-mail her with events and updates. The meeting was adjourned at 8:01 .

Respectively submitted by **Su Rymarz** for **Paul McLaughlin**

SWAP MEET REPORT

The Swap Meet was a huge success. Those who missed it missed a really big event. We sold out of spaces, then made more space and sold that. Vendors and customers alike seemed to have a great time. We spent over \$4,000 out front and came up about twice that in income. With only one bill left to pay, we are coming out about \$4,000 ahead. This means the Council did not lose money during the year for the first time in several years, if we don't count the expense of the new web site. The Council tries to have enough resources to put on the Car Show, All Clubs Picnic and the Swap Meet without charging yearly dues to member clubs. So come and enjoy the activities we sponsor.

NEW MEXICO COUNCIL OF CAR CLUBS EVENTS

Please note the dates for 2009 Car Council Events in the listing below and on the back cover. These events are planned for all our member clubs. As you plan your calendars for 2009, keep them in mind. They are pre-planned events for clubs' participation. Participants have a lot of fun at the events, and it provides all with an opportunity to meet people from all areas of automotive interest. The Council officers and board members encourage all clubs to send a representative to meetings. The people who show up are the ones who make the choices for how the events are run. Legislation that affects our hobby is also always on the horizon. Come to the meetings and make your voices heard. It is up to us all to keep the hobby alive and well.

Old Car Club of Albuquerque will sponsor the 2009 All Clubs Picnic.

There is a Maestas and Ward in the NW corner, and that's where we park; there is a Starbucks, a Dos Hermanos, a Hello Deli and a Twisters... 7620 Jefferson NE. We are next to the white square in the NW corner...the intersection of Jefferson and Sun. Spread the word - all makes of cars. It's on Jefferson between Paseo & San Antonio.
