**LEGISLATIVE ALERT**

House Bill #305 is on the way to the Legislature to require 2 license plates. The bill about 2 license plates is # HB305. To view it on line: <http://www.nmlegis.gov/Sessions/09%20Regular/bills/house/HB0305.pdf>. Any questions, you can contact Carl Melinat at [desertfoxrt66@aol.com](mailto:desertfoxrt66@aol.com) or (575)769-1801. Representative Rehm has got it on the way to the Finance Committee. It has already passed a couple of hurdles with transportation. At this point the Horseless Carriage plates are exempt, but other special plates (Veterans, Vanity, Year of Manufacture, etc.) are not exempted. Get in touch with you representatives to oppose this. It is going to cost us a mint when we have to replace all the plates on government vehicles. It can be stopped in the Finance Committee:  
<http://legis.state.nm.us/lcs/committeedisplay.aspx?CommitteeCode=SFC>. SEMA has been notified and is on alert. Do what you can to help.

**2009 SUPERNATIONALS REPORT**

What a great bunch of people---Car People! This year our mission was to assemble a diverse cross section of the car hobby community to educate and inform New Mexico residents of the many activities and events that are put on during the year by the Car Council and various clubs. We asked 17 clubs to volunteer 2 1/2 days of their time to share with folks the many charitable and wonderful events they freely offer their support to. Thank You all for your time: The Cougar Club, The Dukes, The Mopar Muscle Club, The Old Car Club, Lincoln and Continental Owners, NM 4 Wheelers, Southwest F Body Assn., The Rickshaws Motor Club, Zia Studebaker/Packards, The NM Impala Super Sport Club, The Land of Enchantment G T O's, The Mustang Club, and VMCCA. Trophies were awarded to Keith McGinnis- Avanti 3<sup>rd</sup> in Other Class, Jason Cowan- 2002 Trans Am 2<sup>nd</sup> in Contemporary Class, Charles Brusseau- 67 Camaro RS 3<sup>rd</sup> in Camaro Class, Jeff Rector- 84 Jeep 2<sup>nd</sup> in 4x4 Jeep Class, Joe Jaramillo- 70 Cuda AAR 3<sup>rd</sup>. in Muscle Class, Edward Mentz- 49 Suburban Under Construction Class, Jerry Canpbell- 95 Caprice Wagon 3<sup>rd</sup> place, and last but not least, Edward Mentz and Frank Chavez- Best Club Display 3<sup>rd</sup> Place. Edward and Frank and the Dukes Club put together a wonderful nostalgic display featuring Edward's down to bare metal under construction 49 Suburban and Frank's parents 36 Chevy Coupe. They decorated the display with items from the time and this exhibit proved to be very popular and bring back many memories. Thank You to Bill Lemen and Ron Rymarz for getting all those big vehicles in and out of the small room thru the small door!

**Mike Maestas and Su Rymarz**

**Jackie Sanchez**-spoke about an upcoming car event at Valley High School.

**John Lanoue** and **Art Sena** spoke about the 40th Anniversary of the National Street Rod Association occurring this year and about different NSRA events being held to honor this special occasion. One such event will be an overnight stop in Albuquerque on August 1, 2009 during a National Street Rod Association Caravan on its way to their big convention.

Treasurer's Report: **Ron Rymarz**, our Treasurer, reports that our checking account balance as of this date stands at \$6660.58.

Old Business: **Michael Maestas** and **Joyce Clements** report our web site is up and running and they encourage everyone to visit the site to see what is going on with our organization and its member clubs.

Supnationals Show: **Michael Maestas** reported that we once again have a special room in the Flower Building at the Supnationals Show and we have been allotted some 18 spaces. We are looking forward to this show and having a wide variety of cars on display.

National Legislation: **Michael Maestas** reported that SEMA is fighting a battle against a new National Vehicle Scrapage Bill that is being sponsored by **Diane Feinstein** and **Harry Waxman**. The reason why SEMA is dead set against this bill and others like it is that if passed, the result could be limiting the availability of vintage vehicles we all need for restoring and parts for our cars. If you support SEMA and their actions be sure and let your representatives in Washington, D.C. know how you feel.

#### **New Business:**

Legislature New Mexico-**John Doran** reported that "Life is good in Santa Fe" right now and we don't have anything to worry about yet concerning our cars and the people we elected to write our laws.

New Club- **Northern New Mexico Street Rodders** has joined our organization.

Albuquerque Museum Show- **Joyce Clements** reported that the Albuquerque Museum wants to meet soon to discuss details for our May Show. **Joyce** also asked for volunteers to serve on our Albuquerque Museum Car Show Committee.

Budget 2009- **Joyce Clements** suggested we should be thinking about a budget to cover expenses for our 2009 events. This subject will be discussed at our next meeting.

At this point the meeting was brought to a close.

**Paul G. McLaughlin**  
Secretary

### **NEW MEXICO COUNCIL OF CAR CLUBS EVENTS**

Please note the dates for 2009 Car Council Events in the listing below and on the back cover. These events are planned for all our member clubs. As you plan your calendars for 2009, keep them in mind. They are pre-planned events for clubs' participation. Participants have a lot of fun at the events, and it provides all with an opportunity to meet people from all areas of automotive interest. The Council officers and board members encourage all clubs to send a representative to meetings. The people who show up are the ones who make the choices for how the events are run. Legislation that affects our hobby is also always on the horizon. Come to the meetings and make your voices heard. It is up to us all to keep the hobby alive and well.

## WEB SITE

Everyone who receives this news letter electronically or by regular mail should look at the web site: [www.nmcarcouncil.org](http://www.nmcarcouncil.org). If you do not see your club listed there, it is because no one in the club has returned the form sent out in December requesting updated information. You may also add something about your club (cars represented, history, membership requirements, meeting time and place, etc.) to the listing. Your amateur web mistress can't put up the information if she doesn't have it. Thank you to all who have sent back the information. Check out your listing to see if it is correct and/or needs additional information. Sometimes, mistakes are made. - Joyce

### **Donut Derelicts**

Meet in the Market center on Jefferson just south of the Journal center at 8AM on Saturdays. There are several places there for coffee, or even breakfast. There is a Maestas and Ward in the NW corner, and that's where we park; there is a Starbucks, a Dos Hermanos, a Hello Deli and a Twisters... 7620 Jefferson NE. We are next to the white square in the NW corner...the intersection of Jefferson and Sun. Spread the word - all makes of cars. It's on Jefferson between Paseo & San Antonio. Here's a link to pics of the cars there on 3/31 ....the first restart try ....
