All Clubs Picnic Report- **Pat Logan** reported that we had a nice picnic with lots of fun. About 70 old cars showed up to participate along with 25 or so modern vehicles. We fed about 200 people. Our expenditure for this event was \$521.02, an amount that was under the budget we set.

Paul McLaughlin reported that the Rio Grande Compound Neighborhood Association was very happy with the turnout of cars (17) for their "Burrito Breakfast Car Show". They provided us with lots of food to eat and presented us with a check for \$100.00 for our treasury. They also indicated that they would like to do it again next year.

All Clubs Picnic For 2010: **Bob Agnew** reported that he took a trip up north to Nambe Falls to look the site over as a possible location for next year's All Clubs Picnic- He spoke with a ranger at the site, which is on Indian land, and he was told to contact the tribe after the first of next year about reserving a spot. Bob was impressed with the area and thinks it would be an ideal place for a picnic. He will follow up by contacting the tribe next year.

Guest Speaker- **Mark Hellyer** spoke about a new car related magazine he is planning on publishing. This free magazine called "New Mexico Rods and Rides" will cover a wide range of automotive subjects. He plans on going to the printer around the 15th of September with distribution starting around October 1. We will be able to find copies at NAPA and other parts stores around the state as well as other automotive related businesses.

At this point the meeting was brought to a close.
