❖ General Meeting Minutes ❖

June 18, 2010

Meeting was called to order at 6:35 pm by President, Stephen Hopkins.

Visitors: None.

Treasurers Report: None.

New Members: None.

Membership Booklets and Name Tags: The Booklets and new name tags were available at the meeting.

Past Events:

1. Wine Tasting and BBQ: Doug Arney reported the wine tasting tour and BBQ at the Newman's was great. We had 5 members drive their cars along with 2 other clubs. Special thanks go to the Newman's for the gracious hospitality.
2. Cruise Night at Fastino's: Steve Haydu reported that this cruise in is every Wednesday night and it is still trying to get the information out. Eight cars were at the last cruise in.
3. Route 66 Deck of Cards Show: Steve Hopkins reported that we had 6 cars at the show and Steve Feador was selected for the Deck of Cards. Steve Hopkins had an issue with his car and after much work, a tow to Scotty's, a corroded fuse to the computer was found to be the culprit of his non-starting Vette.
4. Rich Sherman's last cruise: The memorial service cruise for Rich Sherman was well attended. 15 cars cruised to the Moriarty airport with Rich's ashes so he could also take his last airplane ride. As we all watched Rich's ashes were spread to the airways as was his final wish.
5. "Walk for Your Man" at the Balloon Fiesta Park had 11 cars attend. Steve reports that the weather was great and some received free prostrates (ask him about that one). The event did have some issues with the security at the BC/BS parking lot prior to the event; however no one went to jail. It was suggested that next year the club gets to the park while the walk is going on because the crowd viewed the cars after the walk not before. The model T club was also there and Steve issued a race challenge to them but received no takers. Many of our club members won door prizes which included a signed helmet from the Unser's, gift certificates from local restaurants and new shoes certificate.
6. Corvettes in the Jemez: Doug Arney reported that Eric Goodman received first place in the C1/2 class and Jim and Debra Romero received 2nd place in the C5 class. Doug also reported that he received a door prize that when he got home and went on line the product and cleaning back had a value of just under \$150. The cleaning products were Adam's which is what he uses.

It is very well organized and clubs from Oklahoma, Arizona, and Colorado are usually in attendance. About 250 to 300 Corvettes caravan up to the park and the city closes off all of the streets going thru Santa Fe. Our club will meet at Lowe's at I25 and Paseo del Norte and leave at **7 am** sharp.
7. August 7th Bunting BBQ: Put this social event on your calendar now. Brenda and Marcus have opened up their house for this event for several years. Everyone bring a dish to pass and the Bunting's provide the burger and dogs. It is a very nice time and good food.

We will be considering this as a memorial cruise for David Judd and Rich Sherman. There will be more information on this event in the future.

Program: Bob Kitt handed out a 10 question quiz on the C1 Corvette. As a group we were able to answer almost all of the questions, but as individuals it was pretty tough. Just to wet the whistles of those not in attendance, here are a couple of the answers: Harley, Pontiac, International Auto Shows, Fast Airplane, and Playboy. Yes these answers were all about the C1 Corvette. For those in attendance we received a good lesson on the C1, Corvette trivia. We look forward to the next quiz, study up everyone.

Raffle: A raffle was held. Any donated prizes are welcomed in the future; they do not need to be car stuff.
