**MEETING AGENDA: Swap Meet Wrap Up, Preliminary By-laws Change Report**

**SWAP MEET**

We sold out of usable spaces on Saturday morning. Wednesday rain made some of the field unusable. The village opened up the west side drive, and we sold more spaces there. Spaces sold were 380 in number. We have some expenses still outstanding, so a final report is not available, but it looks like the Council made about \$4,000.00 on the meet. We will most likely contribute \$1,000.00 of this to Los Lunas for allowing us to use the facility. This will be decided by the members at a meeting of the Council.

A car key was turned in at the registration table. It is a single key labeled "Axxess+". Contact me if you know the owner of it.

**NEW MEMBER CLUBS**

The Council welcomes two new member clubs. The **Sledhedz** of Las Cruces joined at the Swap Meet. **B. T. Guerrero**, their President, looks forward to cooperating with us on car events in New Mexico. The **Low Classics Car Club** of Farmington also joined the Council. Their President, **Jody Gonzales**, contacted us by e-mail and asked to join. We hope to work with these clubs in the future. Welcome!

**BY-LAWS/501c-3 COMMITTEE MEETING**

On October 13, **Lisa Bon Durant, Bill Lemen, Lauri Rector, and Jim, Joyce & Will Clements** met to discuss necessary changes to the Council by-laws. Some modifications need to be made to comply with the proposed 501C-3 tax status. The IRS has specific rules governing this status. Since the by-laws were last updated in 1988, we have added electronic mailings, created a web site, and added a newsletter position. No provisions or definitions for these are in the current by-laws. Our growing membership also makes some other changes desirable. The group proposed a number of changes to coincide with our way of conducting business. The changes will be presented next January, as some legal items must be checked before inclusion. The proposals will be discussed at the October meeting.
