❖ General Meeting Minutes ❖

September 17, 2010

5. September 26th is the Sunset Grill Car Show just down from casa Chevrolet. The show benefits the Presy Hospice.
6. October 16th is the Fall Mountain High Fly-in and Pinetop Car Show in Ruidoso. The club is planning on leaving Shane Lemon's office at 9:30 am on the Friday the 15th. The group will stop in San Antonio at the Buckhorn Tavern for their famous Green Chili Cheeseburger. If you have not made reservation yet contact the Holiday Inn Express or Shorter's for other locations to stay. Shorter's stated that to have your car judged it needs to be older than 1984, but the local merchants also award trophies and that can go to any car in the show. **(Special note: since the club meeting arrangements have changed, we will be leaving at 12 noon rather than 9:30am due to some conflicts. We will still leave from Shane's office).**
7. Ann Pisto reported that December 5th has been selected as the date for the yearend club party. It will be held at "Café Jean Pierre" which is located behind TLC and Chama River Brewery. The price will be \$25 per person plus tax and a 20% tip. We will have the entire restaurant to ourselves and a cash bar. We will have about 5 choices for the meal. That information will be available at a later date. Ann, Brenda Bunting, and Cathy Arney have all eaten there and said the service and food is excellent. A reminder was also given to members to bring an unwrapped toy to the dinner and the next weekend they will be delivered to Joy Junction as we have for the past few years.
8. A Progressive dinner was discussed for November 13th. We need a couple of volunteers to host the event. LeMon's have volunteered to host the deserts at 8 pm. Newman's are checking their calendar to see if this date will work for them. If it does they will host the salad portion at 5 pm. This means we will only need a house for the main course at 6:30 pm. The progressive dinner will be hosted by the club members but those attending actual bring the food to eat. The host only provides a place plus what they would normally bring. The event has been very well attended in the past.
9. November 5th and 6th has been set for the road trip to El Paso to visit the Al Knock Shop. Art Lite said those attending will leave from Shane Lemon's office at 7:00 am. Al Knock will provide lunch and give the club a tour of his facility. Al Knock makes seat covers and most of the interior fabric for Corvettes. His Company provides a lot of the interior products for other suppliers. It should be a good education for the Corvette person. Right next to Al Knock's is a huge antique mall. Let Art know if you plan on attending. This will be a great trip.

Program: Bob Kitt stated he is still working on the insurance presentation so don't be surprised if you receive a questionnaire about what type insurance you have on your Corvette from him. The information you send back to him will be confidential and not passed on to anyone else. Bob asked what members were also members of the Corvette Museum. He stated that with the membership you receive a regular magazine and in that magazine they have lots of various Corvette trivia. He quizzed the members on a couple of questions which of course got answered right most of the time
