

FOUNDED IN 1977 TO REPRESENT THE AUTO HOBBY IN NEW MEXICO

NEWSLETTER FOR FEBRUARY, 2011

NEXT MEETING TO BE AT OLD CAR GARAGE

WEDNESDAY, FEBRUARY 23, 2011, 7:30pm

MEETING AGENDA: By-laws Update, Membership Renewals, Museum Car Show Updates, Picnic Updates

The Car Council is now a current member of SEMA. Any club may join for free. It will keep members updated about proposed legislation that affects the car hobby nationwide. If you or your club want to sign up, go to www.semasan.com/san/join.aspx and do it. It costs nothing and should be informative. The editor will publish any pertinent information received.

New Member Clubs : Recent members of the Car Council are: **ABQ Fast Fords**, represented by **Aaron Ashe**, and **Camaro Club of New Mexico** represented by **Lorenzo Garcia** and **Don Briggs**. **Las Cruces Rodrunners** are also back on our list. Welcome to the Council, and we hope to see you at events and volunteering to help when needed.

By-laws Committee Report : The By-laws proposed changes and ballots have been mailed out to the representatives of the clubs. Please see that these are mailed or delivered by the March 23 meeting. Please return in the sealed SASE enclosed with the ballot. - **Joyce Clements**

Renewals : All persons on the e-mail or snail mail list have been mailed an update for your club's current contact information. Please make sure that you return the form if you wish to continue receiving mailings. If you got a form and are not sure if someone else in your club has responded, please send your form back via mail or e-mail. Better to have duplicate responses than no response.

Legislation : Senate Bill S.B. 412 is included along with contact information and some comments about the bill.

2011 Super Nationals Review : Thank you to all of the club members who gave up 3 days of their lives to entertain and educate folks about the car hobby. "Bonnie and Clyde" and their beautiful Packard posed for

pictures for 3 days. A 1930 Caddy gave people a look into the past. The 4-Wheelers, with their high big wheel Jeeps, drew a lot of attention, especially the young ladies, and were able to stress safety with family fun and adventure. Bill spent nearly 2 days trying out a 4 step buffing technique on his yellow convertible. He drew a large crowd and may well be able to parlay this presentation into a full time job!!! 2 vehicles were memorial cars and showed yet another side to vehicle restoration and ownership. We had several beautifully restored cars and trucks with owners present to share their stories with visitors. The Route 66 Association featured a display to promote their Route 66 Motor Tour from Tucumcari to Gallup. A wonderful way to learn about the history on the Mother Road. Thank you to the 17 vehicle owners, the Southwest Packards, the Route 66 Association, the Rickshaws, the GTO's, the NM 4-Wheelers, the Lincoln Club, the F-Body Club, the Classic Chevy Club, the non-club member vehicles, and a very special thanks to the OLD CAR CLUB.

What a great presentation! God bless you and thank you all. **Su**

Treasurer's Report: **Ron Rymarz** reports that our checking account balance as of this date stands at \$8331.91. We also have about \$14,000.00 in interest bearing CDs.

Old Business:

Pinewood Derby-**Joyce Clements** spoke about the good turnout of collector cars at the Cub Scout's Pinewood Derby Event. The young scouts really enjoyed seeing all the neat cars on display.

Storage Shed Progress- **Joyce Clements** found a box full of old council t-shirts and told everybody on hand that she didn't want to take any of these t-shirts home or to the storage unit so they were distributed to all on hand.

New Business:

2011 Budget- **Dennis Seibert** reports that the 2011 budget will be \$13,285.00. These funds will be used to put on the Albuquerque Museum Car Show, the All Clubs' Picnic, and the Annual Fall Swap Meet. Our projected income for 2011 is expected to be around \$15,000.00.

Calendar of Council Events for 2011:

May 15, 2011 Albuquerque Museum Show

August 14, 2011 All Clubs Picnic

September 23-25, 2011 Annual Fall Swap Meet

Report On By-Laws Changes: **Lisa BonDurant, Joyce Clements, and Lauri Rector** have worked for a number of months on our By-Laws Committee. They feel the By-Laws should be updated now because they were last updated back in 1988. The proposed updates will show changes to officer responsibilities and the addition of 3 new positions to the officer and director lineups, changing the fiscal year dates to coincide with officer terms of office, and protecting our website domain name.

Ballots, for or against these proposed changes, will be mailed out to all the clubs to vote on. An S.A.S.E. will be included in the envelope making it easier for clubs to respond. **Dennis Seibert** encouraged all clubs to vote yes on these changes because our By-Laws need to be brought up to date.

Albuquerque Museum Car Show Committee: The following people have volunteered to serve on our 2011 show; **Jim and Joyce Clements, Will Clements, Paul McLaughlin, Jerry Jennings, Les Martinez, and Lauri Rector**. And a call was made out for more people to volunteer to count votes so our awards ceremony will be held on time without any problems.

Other Events Happening Around Albuquerque:

Route 66 Rodders Swap Meet May 1, 2011

Park in the Park Car Show Rio Rancho April 23, 2011

URGENT LEGISLATIVE ALERT

Pro-Hobbyist Street Rod and Custom Vehicle Bill

Introduced in New Mexico

SEMA model legislation (S.B. 412) that would create a vehicle registration classification for street rods and custom vehicles and provide for special license plates for these vehicles has been introduced in the New Mexico State Legislature. S.B. 412 defines a street rod as an altered vehicle manufactured before 1949 and a custom as an altered vehicle at least 25 years old and manufactured after 1948. The bill has been referred to the New Mexico Senate Corporations and Transportation Committee for consideration.

We Urge You to Contact All Members of the New Mexico Senate Corporations and Transportation Committee (List Attached Below) Immediately to Request Their Support for S.B. 412

- S.B. 412 provides specific registration/titling classes and license plates for street rods and customs, including kits and replicas. Street rods are of a pre-1949 vintage; customs are of the post-1949 era.
- S.B. 412 allows for the use of non-original materials and creates a titling and registration criterion that assigns these vehicles the same model year designation as the production vehicle they most

closely resemble.

- S.B. 412 only holds street rods, customs and replicas to the equipment standards specified by law during the model year listed on the title of the vehicle.
- S.B. 412 provides for a one-time registration and plate fee of \$100.
- S.B. 412 recognizes the immeasurable amount of time, money and attention automotive enthusiasts invest in their hobby cars. Street rods, customs and replicas are the same crowd pleasers that participate in exhibitions and as parade vehicles, and whose owners regularly contribute to charities and civic events. This legislation represents an opportunity to acknowledge this family hobby and to protect it for future generations.

DON'T DELAY! Please contact members of the New Mexico Senate Corporations and Transportation Committee to urge support for S.B. 412.

Please e-mail a copy of your letters to Steve McDonald at stevem@sema.org
