January 13, 2011

Meeting called to order by Art Lite, new VP 6:35 pm at American Properties Office

Attendees: Steve Hopkins, Doug Arney, Shane LeMon, Ron Scott, Bob Kitts, Mike Rothman, and Art Lite – Steve Haydu and Wallace Bow were in attendance late in the meeting.

Reports:

1. Club will eat at Szechwan Chinese at 1605 Juan Tabo after the next club meeting. Since Shane will not be there Steve Hopkins will call into the restaurant with the number eating.
2. Shane led the discussion for another work session to complete the Club's props for the car show the last weekend in January. The Corvette Corel theme will be completed by the end of the day on Saturday. We still could use some Cowboy type items and cowboy hats and similar garb can be worn. On the 27th we will take the cars to the fair grounds and set up the display. A sign-up sheet to work the show will be at the next regular meeting. We will need additional help for set up and tear down. Shane's daughters are working on "Wanted Posters", James Griego is working on the year of the 6 cars posters to give the viewers info on what took place in the years the cars were built. Bob Kitt has got bales of straw and a cooking pot, Doug Arney has secured a saddle.
3. Wallace Bow has outlined a cruise for February on the Saturday following our February Club meeting (weather permitting). If bad weather, discussion was held on whether we postpone it a week. The consensus was if weather was too bad we could look at any type of outing, like visiting a local car museum. This will also be a poker type run with participants receiving a card at each stop. The final stop will be at the buffet at the Sky City Casino. More to follow.
4. Shane stated that several other cruises are being considered as we try to fill in one additional activity besides the club meeting each month.
5. Discussion took place considering suggestions by the board members for additional locations. Shane and Wallace will consider. One criteria that was discussed was the cruises needed to be 3 to 5 hours at the most and include some type of place to eat in that time.
6. Bob Kitt asked the committee about his thought to surveying the club members to see what interests the members and try to build on this. Comments were made concerning this and Bob will take these into consideration.
7. A discussion was held about the length of the regular meeting. Holding the meeting to one hour because Casa closing effects the types of programs we can hold. We talked about the history with our sponsor and many positive comments came forth. The board will continue to review.

January 13, 2011 continued

8. Bob Kitt asked if anyone has discussed the benefits of NCCC. Steve said he was looking at the benefits and Ron Scott and Shane LeMon told the board of their experiences with NCCC (which are good). Bob thought it would be nice have a presentation made to the club about NCCC.
9. A question was asked by Shane if the club is interested in selling our electronic race timing equipment. He said that Sandia Sports Park may have an interest in purchasing this equipment. It was discussed by Steve Haydu that the club does have the old timing equipment as well. No decision was made at this meeting because it was felt further discussion needed to take place..
10. Doug Arney, Shane LeMon informed the club that they would not be at the next meeting.

Treasurers Report: Mike Rothman reported that the Club's current balance is \$2,235.45. Officers of the Club need to get to the bank and sign new signature cards.

With no other items the meeting was adjourned at 7:45 pm.

Respectfully submitted,

Doug Arney
