

FOUNDED IN 1977 TO REPRESENT THE AUTO HOBBY IN NEW MEXICO

NEWSLETTER FOR MARCH, 2011

NEXT MEETING TO BE AT OLD CAR GARAGE
WEDNESDAY, MARCH 23, 2011, 7:30pm

MEETING AGENDA: By-laws Vote Count, Museum Car Show Updates and Mailing, Picnic Updates, Legislative Updates

CAR SHOW SURVIVOR CARS

The Car Show Committee is seeking original survivor cars in good condition, at least 40 years old, to feature at the May 15 Car Show. Several people have volunteered cars at this point, and we would like to have at least six more. If someone in your club has an original, unrestored, unmodified car, manufactured before 1972, please have them contact Joyce at 884-7912 or oldcarnut1932@earthlink.net. We'd like to create a special window card for these cars, and prior notice will make this possible.

The Car Council is now a current member of SEMA. Any club may join for free. It will keep members updated about proposed legislation that affects the car hobby nationwide. If you or your club want to sign up, go to www.semasan.com/san/join.aspx and do it. It costs nothing and should be informative. The editor will publish any pertinent information received.

New Member Club : Recent member of the Car Council is: Old Santa Fe Trail Corvettes; their representative will be Tim Alton.

By-laws Committee Report : The By-laws proposed changes and ballots have been mailed out to the representatives of the Active Clubs. Please see that these are mailed or delivered by the March 23 meeting. Please return in the sealed SASE enclosed with the ballot. If you have questions, please contact a member of the committee. We will count the votes at the March meeting. - Joyce Clements

Renewals : All persons on the e-mail or snail mail list have been mailed an update for your club's current contact information. Please make sure that you return the form if you wish to continue receiving mailings. If you got a form and are not sure if someone else in your club has responded, please send your form back via mail or e-mail. Better to have duplicate responses than no response.

Legislation : Senate Bill S.B. 412 has been in the Senate Finance Committee for several weeks now, and it appears that no action will be taken on it this session. Several Council reps have considered writing a better bill and have it introduced in the next legislative session. If so, there should be input from several sources, including the MVD. We can discuss this at the March meeting and look for volunteers to help write it. We have an offer of a sponsor, input from Joe Abbin on VIN clarification, and input from Nate Cote, who used be in the legislature.
