### Old Business:

501 (c) (3) Status Update: **Lisa BonDurant** reports that she has no new information from the IRS concerning our status change application. **Gary Zimmerman** reported that an IRS agent had contacted him prior to our meeting and that this agent was going to forward him a request for more information. Basically that agent told **Gary** that we need to provide more documented data to prove that we are an automotive educational entity to gain this type of status change.

Web Site Update-**David Pachak-Robie** reports that he is constantly updating the website with all sorts of automotive events that are scheduled for 2013.

Swap Meet Final Report- **Joyce Clements** reported that after all the bills were paid our Annual Fall Swap Meet showed a smaller profit than the previous year, due to a rise in expenses.

Shows/Events Attended: **Chris Bowen** reported that the "Twinkle Light Parade" was a lot of fun for his club and the other units who participated in this event.

**Gabe Trujillo** of the Bombardiers Car Club reported that 47 entries were signed up for his club's first show in October. These cars and trucks competed in 13 different categories and everybody seemed to have a lot of fun.

### Other Old Business:

**Ron Rymarz** reported that we have a safe deposit box that is almost empty and he requested that anyone who had pertinent car council papers to give them to him so we can keep all of our important paperwork in one location.

### New Business:

Albuquerque Museum Car Show-May 19, 2013. **Joyce Clements** and **Louie Paul** reported that the honored vehicles at this show this year will be Light Duty Trucks and Corvettes to celebrate the "60th Anniversary of the

Corvette's Introduction". The entry fee will still be \$10 per vehicle and that all the trophies for the event have been ordered.

All Clubs' Picnic- **Louie Paul** reports that our All Clubs Picnic on August 11, 2013 will be held again at the Oak Flats Picnic Area in the East Mountains. The VMCCA has offered to be one of the sponsoring clubs and once again we will need a lot of volunteers to help make this popular event a success.

Upcoming Events: **John Hayne** reports that the Horseless Carriage Car Club is thinking about hosting an automotive hill climb on the east side of the Sandias.

SuperNationals Car Show, February 1-3, 2013- **Dennis Seibert** reports that the Rickshaws Car Club will once again be manning a booth at the show to raise funds for the Ronald McDonald House Charities of New Mexico. If you are at the show he encourages people to stop by to bid on some of their donated items.

The Rio Grande Mustang Club, the Model A Club, the Model T guys, and the Ford V8 Club meet there from time to time but not on a weekly basis. A bunch of car guys, Ford and Chevy fans, meet there every week for breakfast on Saturdays. It is an impromptu group that shares stories and pokes fun at each other. Anyone is welcome, if they want to have some fun and don't mind being kidded about their choice of vehicles. Paul McLaughlin at [pmacautoart@msn.com](mailto:pmacautoart@msn.com) is a regular attendee, if you have questions.
