

NEW MEXICO COUNCIL OF CAR CLUBS

FOUNDED IN 1977 TO REPRESENT THE AUTO HOBBY IN NEW MEXICO
NEWSLETTER FOR JUNE, 2013

NEXT MEETING TO BE AT OLD CAR GARAGE
WEDNESDAY, JUNE 26, 2013, 7:30pm

MEETING AGENDA: Nominations for and Election of Officers and Directors for 2013; Car Show Report; Collector Car Appreciation Day; All Clubs Picnic; September Swap Meet ELECTIONS

There will be an election of officers at the June meeting of the NMCCC. Nominations and volunteers will be accepted at the meeting. **Lauri Rector** still has a second year on her term as Vice President, and **Joe Ballengee** still has two years as a Director. Any Active Member Club representative is eligible. This is your chance to get involved with the management and decision-making of the Council. You will get a lot of help and guidance if you decide to volunteer for a position, and it is enjoyable.

The Car Council is a current member of SEMA. Any club may join free. It keeps members updated about proposed legislation that affects the car hobby nationwide. If your club wants to sign up, do it at www.semasan.com/san/join.aspx. It free and should be informative. The editor will publish any pertinent information received.

MUSEUM CAR SHOW

The Museum Car Show turned out fine. We had 341 paid entries and a few sneak-ins. A water line break on 19th St. on Saturday didn't dampen the party much. The only people seriously affected were the travel trailers, who couldn't get in because of the water line break. Two of them left the trailers at home and entered their tow vehicles in the truck category. One of them took a 1st in class. Both seemed to have a good time. A call from one of our participants to a City employee acquaintance resulted in the hole being partially filled and the street opened on Sunday morning during the show. That gave us a few more parking spaces. Thank you, City employees.

Just when we thought all was going well, getting the cars parked and equipment in place, the lawn sprinklers came on. They watered the lawn, our registration materials and a few Corvettes and owners. For a dry desert town, we certainly had our share of water at the show. But the show did go on!

The feature vehicles were Corvettes and Light Trucks. These vehicles turned out in large number and had impressive displays. The Corvette clubs got together and presented their own awards on the basis of "as it left the factory". The trucks were also a great display, and they put on a good show. Thank you to Tom Rostkowski and the National Corvette Restorers Society for taking charge of the Corvette display. Thank you Paul McLaughlin and the American Truck Historical Society for rounding up the trucks.

Charles Penny was here from Spain with his 1947 Buick. Charles used to live in Albuquerque, and his Buick is stored here. He came all the way to be in the show. Too bad there wasn't a long-distance award.

The Council has received a lot of positive feedback on the show. Many entrants claim that this is the only show they will enter. What seems to be the most frequent comment is that the show is unique and not like any other show in the state. Our participants want to keep it that way. Many say they do not come for the trophies, but just to show their cars to the public and share a day with a lot of fellow enthusiasts. We think of it as the greatest show in the state. If anyone did not receive a winners' list and would like to have said, please contact me.

Cheers! – **Joyce**

We have two new member clubs. Welcome to the New Mexico Challengers Car Club, formed to recognize all Dodge Challengers. Also welcome to the Casual Dreams Car Club, a general interest car club open to all years, makes and models of vehicles. The Council looks forward to their participation in our events.
