

NEW MEXICO COUNCIL OF CAR CLUBS

FOUNDED IN 1977 TO REPRESENT THE AUTO HOBBY IN NEW MEXICO
NEWSLETTER FOR SEPTEMBER, 2013

**NEXT MEETING TO BE AT OLD CAR GARAGE
WEDNESDAY, SEPTEMBER 25, 2013, 7:30pm**

MEETING AGENDA: Resignation of Treasurer for health reasons; September Swap Meet Progress; Registering NMCCC Name & Logo; Trailer Purchase

The Car Council is a current member of SEMA. Any club may join free. It keeps members updated about proposed legislation that affects the car hobby nationwide. If your club wants to sign up, do it at www.semasan.com/san/join.aspx. It's free and should be informative. The editor will publish any pertinent information received. See paragraph below:

The SEMA Action Network (SAN) announced that the next Collector Car Appreciation Day will be celebrated on July 11, 2014. The date will mark the fifth consecutive commemoration in what is now an annual event to raise awareness of the vital role automotive restoration and collection plays in American society. "With the 2013 celebration now behind us, car enthusiasts and related businesses can begin planning open houses, car cruises, club gatherings and educational events to mark the 2014 commemoration" said SEMA Vice President of Government Affairs Steve McDonald. "The passion for the collector car hobby that continues to be demonstrated by SAN members nationwide is most clearly evident in this special day." The U.S. Senate helped launch Collector Car Appreciation Day by passing Resolutions each year at SAN's request. The previous resolutions were sponsored by Senator Jon Tester (D-MT) and Senator Richard Burr (R-NC). Senators Tester and Burr have been strong advocates for the automotive hobby in Washington, D.C., and recognize the integral role collector cars have played in fostering our nation's appreciation for the automobile's unique historical place in our history. This year, New Mexico, New York, Manitoba, Nova Scotia, Madera County, California and Washington Parish, Louisiana joined the U.S. Senate in proclaiming Collector Car Appreciation Day. This shows that New Mexico is in the forefront on CCAD.

SWAP MEET REPORT

The Swap Meet is progressing nicely. We have pre-sold over 300 spaces. Please note that the changes talked about at the last meeting are for the years to come. The State Highway Dept. has plans for an exit from I-25 at Morris Road in the future. This will change the traffic patterns for Hwy 314 and Morris Rd. It may also change the approach to the field, but it will not affect the area inside the field. For this year, the parking, entrance and exit will be the same as in the past. There will be no changes in parking for vendor and volunteer vehicles; same rules will apply as in years past. Vendors, helpers and buyers will be notified ahead of time if any major changes are to take place. For this year, the changes will be a trial of a designated parts pickup area, and we have slightly altered the north field layout to avoid the mud problems we have experienced in the past. We will be able to use a baseball field to the west of the main swap meet area, if we need the room for more vendors. The way our agreement works with the Village of Los Lunas, they provide the venue, some amenities like portapotties and trash receptacles, and help with the setup and maintenance of the field, while the Council sets the rules for running the meet itself within the bounds of Village rules. – Joyce

New Mexico Council of Car Clubs Minutes: August 28, 2013 Meeting

Present at the August meeting were the following Reps: **Lauri & Jeff Rector**-NM4Wheelers; **Ron & Su Rymarz**-Old Car Club; **John Hayne**-Alb Horseless Carriage Club; **Al Smith**-Valley View Christian Cruisers; **Robert Gold**-Corvairs of NM; **Stan Kravitz**-NM Pontiac Club; **Raymond Cotinola & Mike Maguire**-Rickshaws; **Joe Ballengee**-Alb Model Car Club; **Paul McLaughlin**-Mustang Owners Club & ATHS-NM; **David Pachak-Robie**-Saabisti NM; **Chris Padilla & Mark Terkeltaub**-LOE GTO's; **James Clements**-Early Ford V8 Club; **Louie Paul**-RRCC & VMCCA; **John Doran**-RG Mustangs; **Dennis Seibert**-Rickshaws; **Joyce Clements**-OCCA & V8 Club; **Bill Lemen**-LCOC.

President Dennis gaveled the crowd down at 7:33, sooner than the old car club.

Seeing that everyone got their newsletter, we welcomed our latest member club, the Valley view Christian Cruisers of Edgewood, and their rep **Mr. Al Smith**. No not the guy that lost the 1928 election.

As we were waiting on the arrival of our guest speaker, **President Dennis** went a little around the agenda.

Our treasurer **Mr. Rymarz** gave his update on funds available, as well as what we've taken in thus far on the swap meet. The \$\$\$\$ are rolling in, and space sales are brisk. We've taken in as of the meeting over \$2,000 on space sales. **Ron** also indicated that we had written a check for \$170.00 to Ronald McDonald house as part of the picnic 50/50. We received a lovely thank you note from **Kristin** at Ronald McDonald house. **Louie Paul** also gave us a final report on the all clubs picnic. We had some 120 cars and over 250 picnickers. In conjunction we collected \$536.00 in car receipts. This went a long way to defray the \$640.00 outlay of the council for expenses. Great job **Louie**.

It was at this point that our guest speaker arrived, **Mr. Chuck Rumschlag**, representing the village of Los Lunas. I felt like we were on Gilligan's Island. We took a three hour detour. There was much discussion on what the village is going to implement in 2014, due to the Morris road exit ramp as well as a recap on what we were already doing. The take away is that the only change for this year will be a dedicated parts pick up area. Also everyone will wear a lovely color of orange for those working as staff. Look for additional information as it pertains to next years meet. Please keep in mind this event is put on by the work and effort of the car council, not as an event of the village. **Chairman Joyce** reiterated this in her closing remarks. We've sold nearly 225 spots, and this event continues to grow year over year. Please let's not over engineer it.

After the lively discussion on the swap meet changes and non changes, we then transitioned to the discussion on the trailer purchase. After some continued sour stomach discussions, it was decided that a committee headed by **Ron Rymarz** including **VP Laurie** and yours truly. We will meet and give final recommendations to the club. The trailer is not a done deal.

We had some discussion on a few upcoming events, and thankfully adjourned at 8:49. Whew.

Bill Lemen – Secretary
