Ambassador Bob Kitts: We should consider purchasing a brick at the museum for a loved one that  
has passed away. To purchase flowers is an expense and if a brick is purchased for nearly the  
same cost it is lasting memory. We owe 4,000 for the track. Ideas to obtain this money would be to  
hold a flea market and invite all the clubs in our region to join in and have a car show and also a flea  
market. Would like to have this in the spring of 2017. If anyone has any ideas would be greatly  
appreciated. Just get in touch with Bob Kitts.
