Ron Scott No business to report at this time. He did say though we need to make some type of protocol for when people pass away as to how to handle a correct way of honoring their death. All the board members were in agreement. At the regular meeting we will ask the members on how to proceed with a plan.

Bob Kitts Wants to get some feed back on how members would feel on purchasing a brick in honor of people who pass away. The Museum in Bowling Green has many ways to honor a club. He will introduce these items at the next general meeting. We would appreciate feed back from the members. We will need to make certain guide lines on how to proceed. Everyone in put greatly appreciated.

Maggi Kitts Activities Trying hard to get things together for the upcoming months.
