New Business: Sherry Maples has reached out to our club and would like to have a get together. She was thinking of June 28th to meet at a Sonic on 4th. Other details to follow after it is presented to the General Corvette meeting.

Art Lite is going to get some information together on having a wine tasting cruise.

Beginning this Month we are implementing our quarterly attendance/participation for some great prizes. For each meeting/event you attend your name will be entered into a drawing to take place at an unannounced meeting. The more meetings/Activities the more chances you have to win. **YOU MUST BE PRESENT TO WIN!**

Marc Manning will be attending the meeting this week on June 16th to take orders for some embroidered shirts for anyone who is interested.

We are also trying to make our General meeting shorter so that we can go out to eat at a better time.

Celeste has been able to plan a nice dinner at SCARPA'S (9700 Montgomery Blvd. N.E. 87111) we are hoping for 7:45 Thank you Celeste.

We are always open for ideas so if you want to share just join us at the meeting and give us your thoughts.

Bob Kitts told us they are making a new black for the up and coming new Corvettes.

Meeting adjourned: 8:30

Respectfully submitted,
