October 10, 2017

Meeting called to order at 6:30 by NMCA Vice President Mark Logsdon.

Present: Mark Logsdon, Steve & Jean Haydu, Bob & Maggi Kitts, Celeste English, and Ron Scott

Treasurer's Report (Celeste English):

Checking Account: \$2,980.81 - Saving's Account: \$1,106.95

Governor NCCC (Ron Scott):

Ron reminded us of Thunder Vette Set's Weekend in Sierra Vista, AZ, November 3-5, and their annual gala event held in January 13-15, 2018.

NCM Representative (Bob Kitts):

Bob said a brick had been purchased for Brenda Bunting at the museum, showed us a picture of it, and will send a picture with letter to Marcus Bunting. Additionally, he spoke about the acre of land being purchased by the club. A discussion occurred regarding the time frame, balance remaining, etc.; we have almost reached our goal. Bob plans to speak about the "acre-of-land" issue at the October meeting.

Open Discussion:

It was suggested that we get in touch with Rio Grande Corvette Club to see if they would like to merge with NMCA. They will also be invited to attend our Holiday Banquet at Black Angus on December 2. Maggi Kitts will get in touch with Sherry Maples.

NMCA is missing some club banners. Steve has one from Scotty's. Whereabouts of others unknown--will have to check with members for information.

Celeste suggested we send out an e-mail to all members for volunteers to take an office position next year and have them respond to the e-mail which position they would accept.

Our charity for this year is a South Valley police or sheriff station to give stuffed animals for officers to have in their vehicles for children in crisis situations. Need to get all information from Mary Mleczo (which station; size and kind of stuffed toy, etc.) Also discussed helping a family in need...need to find a deserving family.

Celeste English will check on reservations at Plum Café for dinner after October Friday meeting.

Meeting adjourned at 7:45 p.m.

Respectfully submitted,

*Jean Haydu*

This year the club as decided to donate stuffed animals to the police department so they can give a child a stuffed animal when they are in crises. The police department said that the stuffed animal clams the child down while they are trying to get things in order. They would appreciate a medium size stuffed animal.
