❖ General Meeting Minutes ❖

April 20, 2018

Phil Ellison had recommended Southwest Speed Shop in Rio Rancho. While they are very good, they are primarily a speed shop.

Bob Kitts reported on National Corvette Museum news. Two Corvettes are being raffled. Tickets for one are \$200 each and the ticket sales are limited to 1000. The second raffle, for a well-equipped Corvette, will be drawn a week later. Tickets are \$10. No limit on tickets. For those of you interested in going to LeMans with the Corvette Museum, we are sad to report the cutoff date was March 1, 2018. But, the Museum is one of only three places in the country where you can watch the race live and have interaction among the pit crew and drivers. If interested, Bob Kitts will get you details.

Mark Logsdon shared news of the National Corvette Restoration Society seminar. He and several members attended the seminar entitled Corvette Engine Removal. I am glad to see interaction among the various Corvette Entities.

Happenings: Dewitt Miller went over details for the April 21st Cruise to Chloride.

Dom Lepore has made handouts for the Park 'n the Park Car Show in Rio Rancho on April 28. Participate on your own.

May 5th's Tractor & Car Show in Corrales will begin for club members at 7:30 am in the Lowe's parking lot near Cottonwood Mall, so we can set up together next to the Corrales Post Office by 8:00am. Contact Phil Ellison for more information. There is a \$5.00 donation.

Mark your Calendars for the Dec. 1st Holiday Gathering. Kate & Dan Barker, a great Committee of 2, visited and/or sampled and/or negotiated at the Ranchers Club, Vernon's Steak House, Ben Sur, Pelican's, Ruth's Cris & Vintage. Later, at Mimi's, there was an "informal" vote. The Rancher's Club won...More information to follow and then "the vote". More suggestions?

Mike Smith handled the 50/50 raffle (with Maggi Kitts holding the winning numbers, which Bob Kitts had purchased AND Bob made her return it to the club treasury...following the example of Steve Hopkins and others...) Maybe the club could buy a few appetizers for a "Happy Hour" on Dec. 1st!?!

Art Lites' Corvette question concluded the meeting: Which American General owned a Corvette in 1953. (Hint: It was Curtis LeMay.)

Respectfully submitted.

The Meeting adjourned at 7:45pm. Most of the group immediately headed to Mimi's restaurant for food and libations.
