❖ General Meeting Minutes ❖

March 16., 2018

Meeting called to order at 6:30 pm.

Welcome to Gary Rowley, George Magenta, Daniel Sanchez and Rufus and Linda Green who became members. Others considering membership were Arthur & Diane McNeil.

Those in attendance: Mike Smith, Jim and Barbara Thomte, Rick and Mary Mleczo , Celeste and Larry English, Dan Barker, Steve and Jean Haydu, Gary Rowley, Art Lites, Jacqueline Haydu, Mark Logston and Bob and Maggi Kitts.

Bob Kitts requested that name tags be worn at meetings and events. Also, when addressing club members during a meeting, please stand up and state your name first. This will help all of us to become better acquainted. Please note that this will become a part of meeting procedure.

A discussion on general information concerning club dues was discussed. Bob Kitts mentioned the National Raffles, which generally cost between \$10 and \$500. The higher priced the raffle ticket, the better odds of winning.

Jim Thomte, Treasurer, reported that the club has \$727.04 in savings and \$2,724.68 in checking. The club voted to combine the two accounts as the Acre at the National Corvette Museum has been paid in full.

The night's 50/50 raffle was won by Larry English. He took the money and ran. Congratulations to Larry. This was the first time that Larry has won the 50/50 drawing. Jean Haydu won the participation award, which was a \$50 restaurant gift card. Steve Haydu won the miniature Corvette models and Jean (again) won the car care products. We are sad to report that Jackie Haydu won nothing.
