

## Executive Council Meeting Minutes

9-11-18

Those in attendance: Jim Thomte, Mike Smith, Jean & Steve Haydu, Mark Logsdon, Ron Scott, Phil Ellison and Maggi & Bob Kitts.

Secretary's Report: Forms for Sunday's (9-9-18) event were handed in, new membership lists were handed out for discussion, and "membership" requirements and perks were discussed. Welcome kits could contain a key chain, a Car Show sign, a membership card per member and a "Save the Wave" paddle. Ron Scott has stepped forward to head the membership committee with Phil Ellison & Jim Thomte as support.

Ambassador's Report: August 30<sup>th</sup> – September 1<sup>st</sup>, 2018, news from the National Corvette Museum Convention was shared. See Bob Kitts Ambassador's report from the National Corvette Museum, should you be interested in the Ambassador's position.

Phil Ellison reported on his conversation with Galles Motors regarding holding our meetings at their facility. There are several hurdles we need to consider, such as there is only space for 20 people and no function can go beyond 7pm. They close promptly at 7pm. Bob Kitts will write a letter to Mayor Keller expressing our concern about not having the privilege of using our community facility at the Domingo-Baca Recreation Center. He will have a written letter at the next meeting on September 21, for any member who wishes to sign it. Ideas for a location will be discussed at the membership meeting.

### Upcoming Dates:
