WARNING!! WARNING!!

Due to a lack of participation the New Mexico Car Council has had to cancel or reduce many of its yearly events. These events have for years given car enthusiasts a chance to enjoy the car hobby with other like-minded car folks. So how do we correct this problem? It's simple, *we want to see you back at our meetings* so we can hear what you'd like the Council to do. We hope to see you at the August 24 meeting listed above!!!

NMCCC SPONSORED EVENTS AND OTHER CAR EVENTS IN OR AROUND NEW MEXICO
THROUGH THE END OF 2022.

REPORT--AUGUST 7 ALL CLUBS PICNIC
Bill Lemen, Secretary

Well, what a lovely day was had on Sunday for the All Clubs Picnic! We had roughly 75 people, and some 50 cars at Oak Flats picnic grounds. This included the Old car club, Corvette club, Pontiac Club, Mustang club, Corvair club, Rainbow Roadrunners, and the Studebaker club. Special thanks to Ron and Su Rymarz for coordinating this great event. In addition to Ron, our hard working Vice-President, the Board of Directors were also represented by yours truly, JD Doran, along with an additional board member. They did a great job of representing the Council. I have to say from my perspective the day could not have been better, even down to the weather, which gave us a nice cloud-covered backdrop. The other thing that really impressed me was the fact that the folks who attended brought their own food and drinks. Everyone seemed to have enough to eat and drink without one cooler of water being provided by the Council and not one grill being fired up. Folks in many cases brought their own shade, or used the numerous trees provided by Mother Nature. Most folks arrived from 10-11, and the last lot left around 3:00, with a little nudge from some thunder. It certainly was a fantastic way to spend some lazy time on a Sunday, catching up with old friends and meeting some new ones. I, for one, met an interesting gentleman from the Corvette Club. I would probably not have ever met him, had it not been for this Council event. We talked about cars and tires, and had a lengthy and wonderful conversation. I have to say that, with the simplicity of our recent car show, and the absolute pick-up feeling of the picnic, I'm quickly becoming a fan of "sponsored" events with Council coordinators. Ron and Su were a great example or those who pick up the standard on what could have been a potentially canceled event, and turn it into a wonderful day. Thanks to all of you who attended the picnic. We hope to see many of you at our next meeting on August 24! Your Secretary, and picnic attendee, Bill Lemen

WAS NOT AVAILABLE AT PUBLICATION TIME.
IT WILL BE POSTED ON OUR WEBSITE NMCARCOUNCIL.COM**

THIS SPACE IS AVAILABLE

The Car Council would like to include content in this newsletter of general interest to the car community. Specifically we'd like to encourage submissions from member clubs about car-related issues and other car things of interest. We plan to also include some notices from SEMA about issues associated with the car hobby. Due to space considerations these submissions may be included only on the online version of the newsletters and newsletters sent out by email.

*******ANNOUNCEMENT!!! ANNOUNCEMENT!!!!*******

Due to the high cost of Xeroxing and postage the Car Council has decided to reduce the number of newsletters sent through the mail. This will take effect at the beginning of 2023. You will need to notify me at President@nmcarcouncil.com if you need to continue to be sent a "hard copy" of the newsletter. Please note: The newsletter sent through the mail will contain less content than the newsletter available by email or on our website: nmcarcouncil.com. We invite you to take a look at the online version to see the complete show calendar and soon informational articles submitted by our member clubs! Thank you so much for your understanding during this transition. I look forward to hearing from you about the changes.—
